

ELSEVIER

Palaeo-3

Most Cited Paper 2003 - 2007 Award

Awarded to:

T. Hasegawa

For the paper entitled:

“Upper Cretaceous stable carbon isotope stratigraphy of terrestrial organic matter from Sakhalin, Russian Far East: A proxy for the isotopic composition of paleoatmospheric CO₂”

By:

T. Hasegawa, L.M. Pratt, H. Maeda, Y. Shigeta, T. Okamoto, T. Kase, K. Uemura

This paper was published in:

(2003) Palaeogeography, Palaeoclimatology, Palaeoecology, 189 (1-2), pp. 97-115
